The Home That Has It All

Nestled amongst breath taking and shady trees is this ideal double brick family home. Step through the tranquil garden to find a separate Granny Flat, which is more like a private cottage with its own verandah, kitchenette and full bathroom.

Inside the home you're greeted with the spacious entrance and three good sized bedrooms all with built in storage. The master bedroom boasts beautiful on-trend floorboards and an abundance of natural light from the double windows. The family bathroom has plenty of storage for all those bits and bobs, separate bath and shower plus a separate WC.

Walk through the plush carpet in the lounge to open the large windows that overlook the immaculate front garden and make this room light and bright. The star of the room is the charming mantle piece that adds to the character of the home. Keep yourself comfortable all year round with reverse cycle ducted heating/cooling or spend your winter nights curled up near the gas heater with a good book and an even better hot chocolate.

In the generous kitchen you will find a bay window above the double sink that truly brings the lush greenery of the garden into the home. Ample
