Spacious, Solid Brick Family Home

Are you searching for an upgrade? A well-built, well-kept family home with character and charm? Then this home is perfect for you!

Set on a 916sqm allotment, with 3 bedrooms, 2 bathrooms, 2 lounge areas and an outdoor retreat (with air con, kitchenette and toilet!) there really is room for everyone.

Enjoy the tranquil outdoors, country style living while still being in the city - it doesn't get much better than that. This home features a spacious outdoor entertaining area suitable for relaxing in all year round with a ceiling fan and cafe blinds. A perfect spot to host summer BBQs or listen to the rain with a warm cuppa during the winter time.

Securely park in the double length carport with roller door, and still beat the storage woes with the garage and separate garden shed.

Inside the home boasts three great sized bedrooms, the main bedroom with an en-suite, an open plan kitchen, living and dining plus a formal lounge area that could be a perfect second lounge and study space. Working from home just got easier!

With ducted gas heating and evaporative cooling, rainwater tanks, gas cook-top with electric oven, beautiful light filled views and close to local shops such as Harbour Town, this home won't be available for long.
